

## CLUB DISPLAYS

Each club is urged to create a display educating spectators about their club. Include pictures, information on what your club does, activities and special events, etc. Size of the space will be 4' wide x 6' tall (see diagram). Displays will be judged, with winning club receiving a pizza party to be schedule at their convenience. See Rules and Judging Guidelines below.

### RULES

1. Club's name must be visible on the display.
2. In order to maintain consistency, display boards will be provided, clubs are not permitted to bring or build their own.
3. All items for display must be fixed to the board, no tables or free standing props are permitted.
4. Shooting Sports and Animal (except the Reptile & Amphibian Club) project books should not be part of the club displays in the green building, and should be returned to the 4-H members.
5. Exhibits must be set up no later than 5:00 PM on Monday of fair week.
6. Any materials can be used on the display as long as they can be attached; expensive materials are not a requirement.
7. Removable materials should be used to fasten items to the board including staples and tape. Glue is not permitted.
8. In order to prepare display boards for storage, all fixtures including staples must be removed from the board.
9. Display removal should take place on Sunday after fair during project removal.
10. Exhibits will be judged during green building judging on Tuesday of fair week.

### JUDGING GUIDELINES

- Workmanship - Neat, well-constructed, free of spelling errors.
- Originality - Uniqueness

## GREEN BUILDING EXHIBITS

### CLARIFICATION REGARDING OPEN SHOW PROJECTS

The following is stated in the Mifflin County Youth Fair Book:

Under Department 10: 4-H and FFA

*"2. 4-H and FFA members may compete in the Open classes only if the member is competing with a separate project in the same 4-H/FFA department." The only exception would be if there is NO DEPARTMENT for the project in 4-H/FFA*

Under Department 11: Youth

*"1. This department has been set up for youth WHO ARE NOT 4-H and FFA members to provide youth under the age of 19 the opportunity to participate at the fairs."*

This means that if a 4-H/FFA member wishes to submit a project into the Open Show, he/she must also submit a project in the same department into 4-H. For example, if a member completes a ceramics project, the only way it can be submitted to the Open Show is if another ceramics project was completed and submitted for 4-H judging. Remember also, that any project that is submitted in 4-H exhibits, must also be accompanied by a completed written worksheet or workbook.

The only exception to the above, is if there is NO DEPARTMENT for the project in 4-H/FFA. All departments are listed in the fair book. Contact the extension office for more information.

### PROJECT PRE-REGISTRATION

In the interest of time, and for our office to maintain more accurate records, 4-H members who complete projects to submit in the green building must pre-register their projects. Simply complete the form and return it to the Extension Office three weeks prior to the start of fair. After completing the form, if you have additional projects that need to be added, you can do so by calling the Extension Office. Please note that any projects that have not been pre-registered will not be accepted. We appreciate everyone's cooperation on this in the hopes that we will have a more efficient registration process at the fair. The registration form can be found in the back of this book.

### CHAMPION PHOTO SCHEDULE

4-H and/or FFA Grand & Reserve Champions are expected to be present for photo sessions with the Lewistown Sentinel. This also includes Grand Hershey's Baking Chips, Hershey's Cake, Angel Food Cake, Apple Pie

You must be at the Green Building on Wednesday, August 8, at 5:00 PM.

\*\*\*Make-up Session\*\*\* will be held Thursday, August 9, at 5:00 PM.

## AG & NATURAL RESOURCES — HERB GARDENING

### GENERAL RULES

- All herbs must be grown by the 4-H member and can be exhibited in any form:
  - Fresh Cut - 1 bunch with stems 1 inch in diameter
  - Dried - 1-inch bunch or 3 tablespoons of dried leaves or 1 tablespoon of dried seeds
  - Potted
- Each exhibit must include a label for each herb exhibited.

## AG & NATURAL RESOURCES — FLOWER GARDENING

### GENERAL RULES

- All ages 8-18 may bring up to 10 entries. Each 4-H member must have a project book completed and entered. Please try to include a picture of your flower beds in the back of your book. No exhibitor may have more than one entry per class. This means if you plant 3 different kinds of Marigolds you may only show 1 kind; therefore, pick your best one.
- Exhibits must be cut flowers grown by the exhibitor. You will need 6 blooms if the bloom size is 2 inches or less, 3 blooms if the bloom is over 2 inches, and anything over 4 inches you will need only 1 bloom.
- Individual classes will be judged on the Danish system,. This allows a judge to give a blue ribbon to all exhibits he/she feels are deserving. The Grand Champion Ribbon will go to the member with the 4 best classes exhibited in flowers.
- When selecting flowers for the fair, look for uniformity. Choose flowers that are the same color, size, and make them the same height. Also try to select flowers that are at their prime—this is right after they open fully when they have the best color with no petals missing. Make certain that your flowers do not have blemishes and do not look old and faded. Make certain that they are all the same variety. These are things that the judges look for. You may display your flowers in any little container (baby food jars, jam jars, medicine bottles, etc.) The container is not going to be judged.

### GENERAL RULES

- Open to 4-H members carrying County-wide Vegetable Gardening projects. Each exhibitor ages 8-18 years old can enter up to 10 entries. Must have project books complete and entered.
- Exhibitors must exhibit the exact number of specimens or plants listed after each vegetable below. No exhibitor may have more than one entry in each class. Example: You can not have 2 bell peppers like Bell Boy and Big Bertha, but you can have 1 entry of green bell and one of hot pepper.
- Individual classes (i.e. green beans) will be judged on the Danish system. The Danish system allows a judge to give a blue ribbon to all exhibits he/she feels are deserving. The Grand Champion Vegetable Ribbon will go to the member with the four (4) best classes exhibited in the vegetable category. There will be a Jr. and Sr. Grand Champion if there is at least 5 in that category. Jr. class age is 8-12 and Sr. class is 13-18.
- When picking your fruits or vegetables for Fair, pick marketable vegetables. This means choose the vegetables that would bring the highest market price (DO NOT CHOOSE THE LARGEST). Select medium sized specimens. Remember to keep them uniform in size, color, and variety. Try to make sure they are blemish free and are prime—not too young or old. Potatoes should not be washed, just wiped off with a soft cloth.
- Tomatoes should have stems removed. Beats and carrots should have tops trimmed 2 inches. Remember to exhibit the exact number of specimens called for.
