

CLUB DISPLAYS

Each 4-H Club & FFA Chapter is urged to create a display educating spectators about their club. Include pictures, information on what your club does, activities and special events, etc. Size of the space will be 4' wide x 6' tall (see diagram). Displays will be judged, with winning club receiving a pizza party to be schedule at their convenience. See Rules and Judging Guidelines below.

RULES

1. Club's name must be visible on the display.
2. In order to maintain consistency, display boards will be provided, clubs are not permitted to bring or build their own.
3. All items for display must be fixed to the board, no tables or free standing props are permitted.
4. Shooting Sports and Animal (except the Reptile & Amphibian Club) project books should not be part of the club displays in the green building, and should be returned to the 4-H members.
5. Exhibits must be set up no later than 5:00 PM on Monday of fair week.
6. Any materials can be used on the display as long as they can be attached; expensive materials are not a requirement.
7. Removable materials should be used to fasten items to the board including staples and nails/ screws. Glue is not permitted. Keep in mind that the Green Building is subject to extreme heat/ humidity, and as a result, the use of tape may not be the best option.
8. In order to prepare display boards for storage, all fixtures including staples, nails, screws, etc. must be removed from the board.
9. Display removal should take place on Sunday after fair during project removal.
10. Exhibits will be judged during green building judging on Tuesday of fair week.
